

GALERIE BY LARA SEDBON

Benjamin VāTōde

Benjamin Valode. *Errance*, 2022.

After four nomadic years, Lara Sedbon has found one of the best addresses in Paris to showcase emerging art. You can now find the 150sq.m of her gallery in the Marais district surrounded by its excellent neighbors, Dilecta, mfc Michèle Didier, Backslash, and Afikaris. After the inaugural group show bringing together all the gallery's artists including Roxane Gouguenheim, Fabien Merelle, Eugénie Modai, Zélie Nguyen, Brigitte Niedermair or Michel Platnic, Benjamin Valode's Liminal Spaces take over the walls with their mysterious atmosphere. On the border of the supernatural.
